About Our Program

- Reduced total cost of ownership through superior logistics
- Combine cable expertise with dedicated project inventory
- Ideal for large construction and capital expansion projects
- Right Product • Right Place • Right Time®

Improving Your Project Profitability

Traditional Project Challenges

Long lead times for material
Excessive cable surplus
Lack of inventory for change orders
No specification change flexibility
Fluctuating commodity prices
Up-front cable purchase
Job site product damage
Job site theft

HWC's Project Solutions

Immediate availability of inventory
Elimination of project surplus
Extra pre-allocated "safety stock"
Easy to change/modify specifications & inventory profile
Firm pricing
Pay as you release invoice program
Professionally managed inventory in HWC's facility
Secure warehousing in HWC's facility

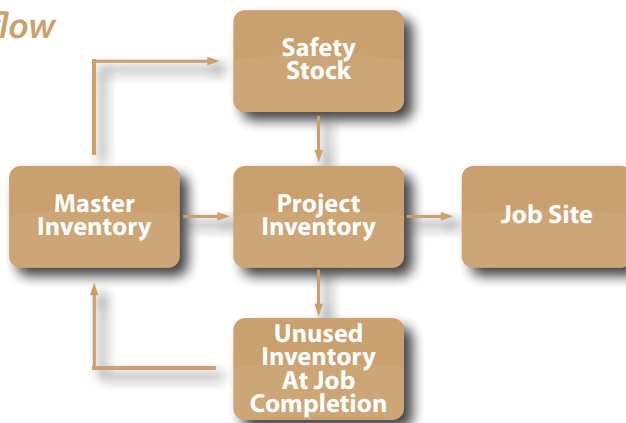

In partnership with your preferred electrical distributor, HWC's Cable Management Program eliminates these issues – former challenges are replaced with effective solutions. When managing projects, HWC's solutions deliver peace of mind.

RIGHT PRODUCT • RIGHT PLACE • RIGHT TIME®

Cable Management Services

Inventory Workflow

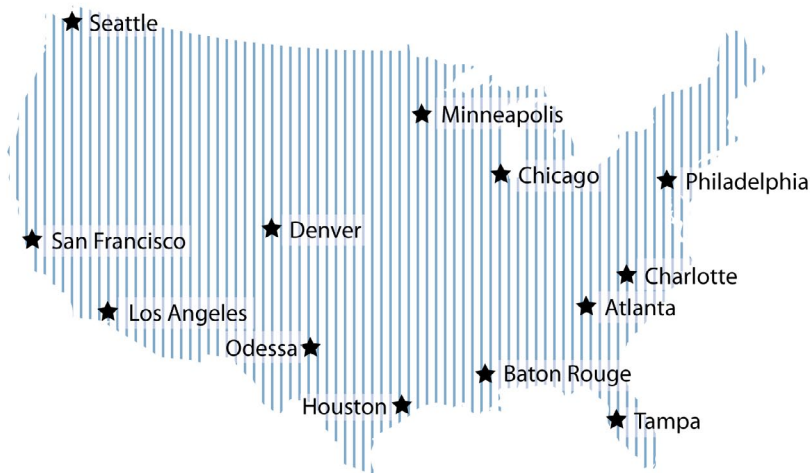

About Houston Wire & Cable Company

With 35 years experience in the industry, Houston Wire & Cable Company is one of the largest providers of wire and cable in the U.S. market. Headquartered in Houston, Texas, the Company has sales and distribution facilities strategically located throughout the nation.

Standard stock items available for immediate delivery include continuous and interlocked armor, instrumentation, medium voltage, high temperature, portable cord, power cables, private branded products, including LifeGuard™, a low-smoke, zero-halogen cable, mechanical wire and cable and related hardware, including wire rope, lifting products and synthetic rope and slings.

Comprehensive value-added services include same-day shipping, knowledgeable sales staff, inventory management programs, just-in-time delivery, logistics support, customized internet-based ordering capabilities and 24/7/365 service.

Proud suppliers to the worlds leading engineer, procurement, and construction companies!

For more information, contact to your preferred electrical distributor.
